THE PRESIDENT'S MESSAGE

DICK BECKLEY

Another year is about to come to a close and SMBA has had a busy year, as usual. Our membership continues to grow, showing that bluegrass in South-Central PA is alive and well, and that our organization is doing things the right way and giving our membership what they are looking for in things bluegrass.

Our election process is winding down for another year and at this writing, it appears that all SMBA offices will be unopposed, and except for the office of Secretary will be manned by the same people as last year. I will be beginning my 5th year as your President in 2014 and I've thoroughly enjoyed the ride, serving our members in this office. Bill Coleman has informed us that because of health issues, he will not be our Secretary next year. I would like to take this opportunity to thank Bill for his input and for all the help he has given me and SMBA over the last several years. Bill, you will be missed.

Tim Pritchard has stepped up and volunteered to be our new Secretary and I welcome Tim to our team. My officers, Board, and Chairpersons, to me, are second to none anywhere, and are THE reason that SMBA continues to grow and prosper at a time when many organizations are experiencing rough going. We have a hardworking, dedicated group leading our Association and making good, tough, difficult decisions that keep us on the right track.

Our Vice President, Mike Lebo, who also serves as our Webmaster, is in the process of redesigning and upgrading our website, which has not been done in some time. Mike has promised that

we will like the changes that he is making, so stay tuned and check in on our website from time to time and see what he has in store for the membership. Also remember to check in with our message board on the website, which is a very valuable tool to pass the word on everything bluegrass. This is a valuable asset that our members have not utilized nearly as much as they should have in the past.

Our annual membership meeting will be held on Sunday January 19, 2014 at Young's Methodist Church on Wertzville Rd., before our Sunday Jam. Officers for 2014 will be formally installed by the membership and other business may be conducted at this meeting. The time for this meeting will appear elsewhere in this issue of the Hornpipe.

We are looking for another great year for our organization in 2014 and I encourage each and every one of you to step up and make 2014 the best ever for SMBA.

On behalf of myself, the Officers and Board, I wish each and every one of you a very Merry Christmas and a Happy and Joyous New Year.

The International Bluegrass Music Museum

SMBA is listed as one of only 5 current association members of The International Bluegrass Music Museum.

To check this out simply enter www.bluegrass-museum.org, click on membership and giving, on the list of options on the left side of your screen. Then scroll down again to associations under membership and giving, again on the left of the screen. There are 5 associations currently listed there at the bottom of the Assn. Membership blurb. We are one of them.

Then again go to the list on the left of your screen and click on Worldwide Bluegrass. Click again on the left under Worldwide Bluegrass on Bluegrass Associations and scroll down to Seven Mountains. This is a link to our website.

A well spent donation to IBMM on our part as we get the benefit of a worldwide link to our website, national recognition as a member association and we help in funding the activities of the IBMM.

This is an outstanding museum and one that the bluegrass community and our members can be proud of, and a destination worth the trip for anyone interested in bluegrass and it's history.

BAND BIOS

November 30, Michael Cleveland and Flamekeeper

Our fifth Saturday in November Band is one of the most award winning bands in bluegrass.

Michael is filling in the concert spot for Danny Paisley who suffered a heart attack late in October. We wish Danny a speedy recovery.

Michael Cleveland and Flamekeeper brings the hard driving fiddle of multi-award winning fiddle player Mike Cleveland and his fine band to play for us. Nathan Livers from Louisville is on Mandolin. Tyler Griffith from Avon, Indiana plays bass. Joshua Richards is on Guitar and lead vocals and is from Leota, Indiana. Banjo and Resonator are played by Glenn Gibson from Louisville. They have had several songs, and a CD as songs and album of the year and have numerous other IBMA awards in the last several years. If you love hard driving traditional bluegrass, you can't afford to miss this show. Traditional bluegrass, the way it's meant to be played.

December 14, Boxcars

Our December Band should need no introduction as this is the 3rd straight year they have been our December Band. One of the all-time favorites to perform here, they always draw a large crowd and their performances are always memorable. These fine musicians and vocalists always present a full concert of their hit recordings, a mixture of traditional and contemporary bluegrass. A multi-award winning group both separately and together, instrumentally and vocally, they are: Adam Steffey on mandolin and vocals, Ron Stewart on banjo and vocals, Keith Garrett on guitar and vocals, John Bowman on fiddle and vocals, and Harold Nixon on bass. They also will be trading instruments around throughout their performance as all are multi-instrumentalists. Let's turn out in record numbers for this performance to welcome this fine group back again to our stage.

January 12, The Crowe Brothers

Our January band will be the Crowe Brothers , from Maggie Valley , NC. They performed for years with the legendary Raymond Fairchild and for the last decade or so have been fronting their own band. They will entertain us with their great harmony vocals that only siblings can produce.

In addition to Josh on Guitar and Wayne on Bass, the rest of the band consists of Steve Sutton on Banjo , and multi-instrumentalist Brian Blaylock on Mandolin and whatever other instrument he brings to the stage. This is a multi talented band which is rich in the traditional style bluegrass that our members love. You are sure to love this band.

February 8, The Larry Stephenson Band

Our February Concert will feature the outstanding voice of Larry Stephenson and his band. Larry is always a favorite in our area whenever he plays here. He possesses one of those voices that, when you hear it, you immediately know who it is. He has been churning out hit recordings for almost 30 years and has a list of awards to show for his work.

In addition to Larry on Mandolin and lead vocals, he brings a top flight band to our stage consisting of the Legendary Kenny Ingram on Banjo and vocals, native Pennsylvanian Danny Stewart Jr. on Bass, and newcomer Colby Laney on guitar, vocals and just about any other instrument he decides to play. It will be great to welcome Larry back to our stage as well as seeing the great Kenny Ingram again, who has been firing up the banjo ever since his days with Lester Flatt & the Nashville Grass.

*** You have asked for and we have listened. For the many that have commented that they want more traditional bluegrass on our concert schedule, the above bands fit perfectly into this category. Your attendance in large numbers will insure that we stay the course having pure traditional music more often in the future.

Line Drive Bluegrass Concert

Mike Munford

Warren Blair

LINE DRIVE, one of the Best Bluegrass bands to come of The Baltimore-DC area in the late 1990's, has decided to add another reunion show to its schedule.

The band, LINE DRIVE, was a very lively, very energetic ensemble of musicians that unfortunately did mostly only grace the halls of a once popular venue called The Friendly Inn from the late 1990's to the mid 2000's on rare occasions; but those rare occasions were always oh so very special. Every time LINE DRIVE would show up to perform, the place would pack-out and people would sit and watch in wanting amazement and awe to hear the replications that they'd performed there of bands and songs from yester-year; all seemingly created with such uncanny accuracy and feel; so much so that one would actually believe they'd been transported

back in time and were hearing the original bands doing the original songs. The actual name of the band was originally derived by the man that is deemed to head up this compilation of talented musicians ... banjoist extraordinaire, and NEWLY crowned 2013 IBMA Banjo Player of the Year, Mike Munford.
